

## **Murphy & Associates' requirements for working as a 1099 sub-contractor**

While most of our professionals choose to work as regular W2 employees, we realize that some professionals have their own corporation set up. For most assignments we have the flexibility to pay you as a corporation, on a 1099 basis.

The requirements for working as a 1099 are:

- A federal tax ID number
- A WA State UBI number
- \$1 Million in general liability business insurance
- Company Business cards
- Company Letterhead
